

ASSEMBLY

JUST SPEAK
WIRELESS COMMUNICATION
Bluetooth® **EVO**

Remove the cheekpads as indicated in the communicator's instruction manual. Place the right speaker (R) in its seat after applying the adhesive round shaped Velcro included in the package.

Repeat the operations performed for the right (R) speaker for positioning the left (L).

Place the microphone's base in its seat on the left EPS cheekpads.

WARNING check that the triangle on the microphone is facing the mouth

House the speaker's cable (connecting the right speaker to the left) behind the rear cushion.

WIRELESS COMMUNICATION
Bluetooth® **EVO**

During the comfort cheekpads assembling, pass the flat cable of the remote control between the cheekpads's pp plate and the shell. The remote control must remain accessible outside the helmet.

Place the USB socket between the removable cheekpads and the rear cushion.

Stick the remote control on the side of the shell verifying the correct adhesion of the double-sided tape.
